Dear Carl Charles,

On behalf of the Broward County Parks and Recreation Neighborhood Parks we would like to thank you for your organizations involvement in our "Day with the Arts." Your involvement made an impact and helped make our event a success for the nearly 100 children who participated.

Our goal with any of our programs and with this "Day with the Arts" in particular, is to enrich the lives of the youngsters we work with, and with your help we were able to do just that. The children greatly enjoyed your production. The smiles on their faces were priceless and we are truly grateful that they had the opportunity enjoy your performance. The experience is one they won't soon forget.

We greatly appreciated your contribution, and support of our "Day with the Arts" and look forward to working with you again in the future.

Sincerest Thanks,

A handwritten signature in blue ink that reads "Marcia Jenkins".
